

GIANTS HELD TO LONE DOUBLE BY BOSTON PITCHER

McLean in the Eighth Inning Pounds Out One, Good For Two Bases and Sends Murray Over With Only Run.

NEW YORK, Sept. 4.—Boston won an even break with New York when they celebrated their farewell appearance of the season at the Polo grounds Wednesday with a 2 to 1 victory over champions, Geo. Tyler, the crack Boston left-hander, held New York to one hit.

McLean, pinch-hitting for Mathewson, spoiled Tyler's chance for a no-hit game when he doubled with two out in the eighth inning. The hit drove in Murray, who had reached second on Smith's throw. Murray and Snodgrass' infield out. Only two other Giants reached first base, Shafer walking in the first, and Burns in the sixth.

New York 0 0 0 0 0—1 1 1

BROWN PITCHES IN HIS OLD TIME FORM

Former Cub Holds the Pirates to Nine Hits and Cincinnati Wins Three to One.

PITTSBURGH, Sept. 4.—Brown pitched one of his old time beautiful games against Pittsburgh Wednesday and Cincinnati won the final game of the series three to one.

Sheppard tripled in the seventh and when Hoblitzel hit to Wagner he dodged the play long enough for Hoblitzel to reach third. Hoblitzel scored on Tinker's single. In the eighth Bates tripled with two men on and won the game.

Pittsburgh's only run was the result of Dolan's triple and Carey's single in the first inning. Adams pitched nice ball until the seventh inning. Manager Tinker's return to the game strengthened the Reds. He had three of their ten hits off Adams.

Cincinnati 3 1 0 0

ARMY AND NAVY TO PLAY ON POLO GROUNDS

Historic Football Battle Will be Staged in New York on Nov. 29.

WASHINGTON, Sept. 4.—The army-navy football game will be played at the New York polo grounds on Nov. 29. This was arranged Wednesday at a conference between Secy. Daniels, Asst. Secy. Breckinridge and the athletic directors of West Point and Annapolis.

The reason for the desire of the army to play the game at the Polo grounds is the superior seating capacity and arrangements of the grounds for such a competition.

It is understood that the management of the Polo grounds will provide 12,500 seats for both the army and navy with the privilege for each of them to purchase in case of need an additional 3,000. In case the two branches of the service should use only 25,000 seats the surplus \$24,000 would be given toward the army and navy relief fund. That gives the army and navy the benefit of 3,000 seats which is more than the entire seating capacity at Franklin field where they received \$20,000, the balance going to the University of Philadelphia.

BRENNAN NOT TO BE CALLED ON TO EXPLAIN

Game Forfeited to New York Now Goes to Phillies and Matter is Dropped.

NEW YORK, Sept. 4.—"Nothing doing." That's what Pres. Lynch of the National league said Wednesday answering a direct question as to whether or not he would take action looking to the punishment of Umpire Brennan who declared the Giants-Phillies game played in Philadelphia last Sunday forfeited to the Giants. Lynch in a ruling given out Tuesday night said that Brennan had no right to award the game to the Giants and he overruled his authority by giving the game to the Phillies. Lynch was asked to qualify his "nothing doing" answer.

"It means just what it implies—that there'll be nothing doing as regards the punishment of Brennan. I have nothing more to say."

The only run of the game was made in the second when Booe walked. Riggett forced Booe but went to second in Autrey's out. Scott then doubled to left scoring Riggett. DIRECTUM I. WAS SENSATION OF DAY

Took the 2:07 Pace in Straight Heats—Fan Patch Won the 2:09 Trot Which Was Not Finished Tuesday.

HARTFORD, Conn., Sept. 4.—Directum I, the sensational pacing stallion of the season, afforded the spectators at the Grand circuit races here Wednesday afternoon a fine spectacle of his speed when he took the 2:07 pace in straight heats, outclassing the field.

The Capital City, 2:08 trot, was won by the little bay mare Cheney, after losing the first heat, while the unexpected happened twice in the 2:20 trot for three year olds, allowing George Rex to come in a winner after three heats, on both occasions it being almost certain that the best he could do was second place.

In the 2:09 trot, brought over from Tuesday, Fan Patch, who just lost a chance to capture the race in the sixth heat when James W. nosed her out at the wire, came back strongly Wednesday afternoon and beat Cox's horse in a close finish.

Directum I surprised the crowd by his wonderful speed and the easy manner in which he led the rest of the field around the track in the first and third heats. An excellent idea of the possibilities of this stallion when he is pushed to it, was to be found in the second heat. Directum I breaking at the quarter pole and dropping four lengths behind the field. He went after the heat, despite the difference in distance, and caught the bunch at the turn into the stretch, coming home in front. He made the last half mile in 1:00 1-2.

In the first heat of the Capital City trot, Cascade, Rythmell and Cheney were shut out, Charizard winning, but Driver Fleming appealed to the judges and so did Oakdale's pilot, with the result that McDonald, who drove Oakdale, was called to the stand, and it was announced after an explanation that Cheney was placed fifth because of unavoidable interference. That let Fleming's mare have another chance and she made the most of it, coming home first in the next three heats in which she passed

PFEFFER MAKES POOR BEGINNING

Former Grand Rapids Pitcher Goes in For Brooklyn But is Hit Hard—Reulbach Wins the Second Game.

BROOKLYN, Sept. 4.—Brooklyn and Philadelphia played off two postponed games Wednesday and broke even, the visitors making it four straight by taking the first game 4 to 3, and the Brooklyn's winning their first victory in seven games by taking the second 5 to 3. The visitors batted Pfeffer, Brooklyn's recruit from Grand Rapids, in timely fashion in the opening three innings of the curtain raiser, gaining a lead which the locals could not overtake.

Reulbach pitched great ball in the second game, holding the Philadelphia's to five hits, errors counting heavily in the three runs they scored. Brooklyn batted Chalmers hard in the second and fourth and got to Alexander in the eighth. Paekert was sent to the club house by Umpire Eason in the eighth for arguing a strike decision.

SMITH HASN'T LOST GAME ON HOME GROUNDS

Manager of the Grand Rapids Team Takes First But Fisher Drops Second Contest.

GRAND RAPIDS, Sept. 4.—The final appearance here this season of the Grand Rapids team was a double bill, in which the honors were divided, Grand Rapids winning the first 9 to 3, and Springfield the second, called at the end of the season on account of darkness, by a score of 5 to 0.

Manager Ed Smith pitched the winning game for the Black Sox and maintained his record of an unbroken chain of victories on the home grounds this season.

The Chicago National league team will play the new Central league champions here Thursday. Bowman, the local twirler who has been sold and will report to the Cleveland American league club Saturday, will probably be in the box for the Black Sox.

FORWARD MEN ARE BOTHERING STAGG

Midway Wizard Fears Lack of Class in Front Line Will Handicap the Backfield.

CHICAGO, Sept. 4.—Coach Stagg is confronted by a difficult problem, and, according to the Midway director, whenever he attempts to solve it the situation becomes more perplexing. Stagg is worrying about his front line, the weakness of which he fears will prove detrimental to his quartet of backfield men. He has the best bunch of ground gainers in the conference, so it remains for Stagg to "make" a front line.

Stagg's material for the construction of the forward wall is at its best mediocre. One man stands head and shoulders, not only in size but in ability, above the others. Paul Des Jardien, the giant center, will return and, like him, he will again be forced to bear the brunt of the work, offensively and defensively. Scanlon and Harris are the only other veterans. Both are diligent workers, but they lack the class of star guards. Omitting the end positions, Stagg has three experienced linemen to start the season with. This leaves two tackle posts vacant and since these are as important positions as any on the team, Stagg seems justified in his so-called gloom.

SENATORS LOSE FINAL GAME TO LEAGUE LEADERS

Washington Ties the Score in Seventh Inning But Philadelphia Comes Back With the Winning Run.

PHILADELPHIA, Sept. 4.—Washington lost its final game of the series to Philadelphia here Wednesday, 4 to 3. After the visitors batted out two runs in the first inning, Philadelphia took the lead in the second by scoring three times on a pass to Walsh, singles by Barry, E. Murphy and Oldring, and errors by Moeller and Henry.

Washington tied the score in the seventh when Bender went in to pitch, on singles by Morgan and McBride and an out, but the home team scored the deciding run in its half of the same inning on E. Murphy's single, an out and Baker's single.

Manager Griffith of Washington was notified before the game that he had been suspended for three days by Pres. Johnson of the American league for an argument with Umpire Eason during Tuesday's contest.

Washington 2 00 000 100—3 8 3

YANKEES POUND BALL IN GAME AT BOSTON

Take to the Offerings of Anderson and Are Helped by the Two Errors of Speaker's.

BOSTON, Sept. 4.—New York made 16 hits for a total of 25 bases off Anderson Wednesday and easily defeated Boston 11 to 4. The world's champions' seven hits were well scattered and it was only through bases on balls given by Caldwell that Boston was enabled to score at all.

Two errors by Speaker in the second inning gave New York a chance to take a commanding lead.

New York 130 010 105—11 16 0
Boston 011 020 000—4 7 4

WILLIAMS GIVES WAY WHEN HE CAN'T HIT

Ward Miller Seems to Have Landed a Steady Job in the Outfield of the Cubs.

ST. LOUIS, Mo., Sept. 4.—Ward Miller has finally become a regular. After warming the bench during the greater part of the season, acting as pinch hitter and filling in occasionally at one of the outer posts, Grump managed to break into the lineup, and from all appearances he intends to stick. Evers, who has something to say about his outfield, declared Miller would continue a part of the outer works as long as he is able to keep up his present work.

It has taken Miller a long time to nail down a regular job. When Mitchell was with the team Miller was used whenever a right-hand pitcher worked against the Cubs, as Miller was weak against this species of mound men. Miller's opportunity to shine, however, were few and far between. When Mike was released to Pittsburgh, Miller had hopes of getting the missing one's place. Cy Williams appeared on the scene and shattered Ward's dreams. Williams began to fall off in his hitting, and after three weeks in the outfield was relegated to the bench in favor of Miller.

Miller is a good all-around player. He hits well, is fast on the bases, possesses a smart head and performs well in the outfield. He is at least an improvement over Williams, and Evers believes Ward will get better with each day's playing.

CARRIGAN WILL LEAD BOSTON AGAIN IN 1914

Present Leader of the American Signs a Contract Covering Next Season.

BOSTON, Sept. 4.—That Pres. James R. McAlister of the world's champion Boston American league base ball club, believes Manager Wm. F. Carrigan capable of making the team again a pennant winner, was demonstrated Wednesday when he contracted with Carrigan to continue as manager during the season of 1914.

The terms were not announced but it is understood that Carrigan received a substantial increase in salary.

Carrigan was appointed manager of the team a few months ago following the release of "Jake" Stahl, who piloted the club to the world's championship last year.
